

GENEROSITY REPORT

GENEROSITY RECEIVED & GIVEN

The only way we get to do ministry as a community is because of the generous donations that Severn Runners provide. In order to lead by example, as an organization we also give a percentage of what we receive in donations to our friends in ministry. Here's what we've received towards our general fund and subsequently given to our friends in ministry this year as of February 24, 2019:

GENEROSITY IN MOTION

Do you remember when we launched M:25 back in October 2018? At our first event we handed out Winter Readiness Kits and met lots of amazing people. One of the people we met, Jack*, sent us an email later that evening thanking us for the kit and the love we shared with him.

We continued the conversation and learned more of Jack's story. He is an amazing and capable person who just needed a little support to succeed. From these conversation, we formed a relationship. Through this relationship, we have been able to meet some of Jack's most basic needs. Thanks to a great relationship with the contractors who helped fix our building after the 2018 flood, we were able to connect Jack with a job. Also, with one of our recently established mission friends, Pastor Billy at City of Refuge Baltimore, we found Jack a low-cost home to help him get back on his feet. Because of your generous giving some of the Severn Run staff have been able to help Pastor Billy remodel the home quickly so that Jack can move in soon.

We never know exactly what God will bring us in an upcoming month, but we know that thanks to the discipline of your generosity we can follow God's call to Love Well in the lives of those around us.
